

Better Buildings Challenge: Partnership Agreement

The **Better Buildings Challenge** is a Presidential leadership initiative which calls on chief executive officers, university presidents, and state and local leaders to create American jobs through building energy efficiency. **Challenge Partners** will make 'public commitments to action' and implement their plans to achieve lasting energy savings, improve our environment, and reduce our dependency on foreign oil.

The Partner Agrees to:

✓ Commit

- Assign a **senior executive** to fulfill Better Buildings Challenge commitments within 1 month
- **Publicly pledge an organization energy-savings goal for the next 2–5 years** based on the results of a portfolio-wide assessment of cost-effective opportunities within 6 months
- Announce the use of one or more **innovative energy efficiency implementation models** within 6 months

✓ Take Action

- Publicly **announce an initial showcase project** (e.g. retrofit, retro commissioning) within 3 months and initiate the project within 9 months
- Develop an **organization-wide plan and schedule** to achieve energy savings pledge within 9 months

✓ Report Results

- **Share information** on the energy efficiency implementation models used to achieve the energy-savings pledge
- Make available **portfolio-wide facility-level energy performance** information within 9 months
- **Provide quarterly updates on progress** with energy efficiency implementation models, energy savings across the organization, and energy performance at the facility level as the basis for recognition

The Department of Energy (DOE) Agrees to:

✓ Assist

- Provide **technical assistance** and **energy efficiency implementation models** to support Partners' commitment to measure, track, and improve portfolio energy performance
- Collaborate with Partner on a regular basis

✓ Connect

- **Establish a marketplace of energy efficiency stakeholders**, such as government, industry, service providers, financial institutions, and technology companies
- **Connect Partners** with Financial Allies that commit to transparency and 'good faith' efforts to evaluate projects, Technology Allies that commit to providing innovative products, and Service Allies that commit to provide best practice business models for energy savings and disclosure of results

✓ Recognize Success

- **Provide national recognition to Partners** for achieving program milestones and energy efficiency results
- **Showcase Partners** who leverage, develop, and share innovative and cost-effective energy efficiency implementation models
